RE: Villas of Rock Prairie

CMTS ID: 1252

Dear Ms. Griffin:

The Texas Department of Housing and Community Affairs (Department) has received the request submitted on June 15, 2017, by Quest Asset Management, Inc. for Villas of Rock Prairie to calculate the utility allowance using the HUD Utility Schedule Model method described in 10TAC §10.614(c)(3)(C). Your request is approved based on the following representations:

1. That the buildings are not HUD-Regulated;
2. That the building(s) are not RHS assisted or have RHS assisted tenants;
3. That the residents are financially responsible for electricity and that the utility is not paid to or through the owner of the building based on an allocation formula or RUBS;
4. That the only building type is Apartments 5+; and,
5. The unit types are one, two, and three bedroom.

Please note that, in accordance with Treasury Regulation §1.42-10, the utility allowance for those units occupied by Section 8 voucher holders remains the applicable Public Housing Authority utility allowance established from where the resident receives the assistance.

The Notice to the Residents was posted on June 15, 2017, which begins the 90-day notification period. Please note that a resident of the development could contact the Department with additional information during the notification period. If the information is relevant, the Department may contact the owner and request additional documentation. Otherwise, the attached utility allowances are effective for rent due after **September 13, 2017**.

Please see attached utility allowance schedule dated September 5, 2017. This is the only allowance approved for use. It is the sole responsibility of the owner to implement the allowance to ensure that rents are restricted and, if applicable, all additional rent and occupancy restrictions are met. The Department will review rents during the next onsite monitoring review and, failure to implement timely, will result in noncompliance.

The utility allowance must be reviewed at least once a calendar year. 10TAC§10.614(g) outlines requirements for annual review. If the owner wishes to switch the methodology used to calculate the utility allowance, prior approval from the Department is required.

If you have questions about this review, please contact Cody Campbell at (512) 475-4603 or via email: cody.campbell@tdhca.state.tx.us.

Sincerely,
