1. This information is being provided to assist in the determining the rents and incomes applicable given a set of assumptions you select. You are encouraged to independently verify the results or contact the Department if you have concerns.

2. The "Place" field is used to determine whether the property is eligible to use the National Non-Metropolitan Median Income limits. Not all Places or Cities in Texas are shown. If you are located outside of the boundaries of a designated Place then select "Not Listed" even if your mailing address reflects the place name.

3. The 'Carryover / Determination Notice / Subaward Agreement Date' field is used to determine whether the property's gross rent floor is based upon a different set of income limits than those used to qualify tenants. For a competitive or 9% HTC property the execution date of the property's Carryover Agreement should be used. For an Exchange Program (i.e. Section 1602) property, the execution date of the property's Subaward Agreement should be used. For a 4% tax credit property, the date of the Determination Notice should be used.

4. The 2016 Housing Tax Credit income limits are effective 3/28/2016. The 2015 NSP income limits are effective 3/2015. The Community Planning Division (CPD) of HUD released the 2015 HOME Program income limits effective 6/1/2015 and rent limits that are effective for all new leases and lease renewals after 6/1/2015.

5. For Housing Tax Credit project(s) that place in service or execute a Carryover Agreement within 45 days after HUD releases the MTSP Income limits where the newly released limits reflect a decrease, IRS Revenue Ruling 94-57 allows the owner to rely on either limit.
