RESIDENT SELECTION POLICY **& MANAGEMENT PLAN**

Effective July 2, 2018

SECTION 1: FAIR HOUSING AND EQUAL OPPORTUNITY LAWS

(Non-Discrimination Policy)

The Development will comply with state and federal fair housing and antidiscrimination laws; including, but not limited to, consideration of reasonable accommodations requested to complete the application process. Examples of discrimination in the occupancy process includes, but is not necessarily limited to:

Refusing to rent after a bona fide offer has been made, or to negotiate the rental of a dwelling;

Establishing admission requirements, which apply only to protected individuals;

Using different lease provisions to discriminate against a person with disabilities, a family with children or another protected class;

Denying admission or occupancy preference on the basis that the applicant has been a victim of domestic violence, dating violence, sexual assault or stalking, based on the Violence Against Women Reauthorization Act (VAWA) of 2013.

Employing any form of quota system to limit occupancy by protected individuals;

Limiting the use of facilities or services by a protected individual, or providing a lower quality of service to such a person;

Discouraging applications or inappropriately influencing through steering, threats or intimidation, the choice of dwelling;

Providing false or misleading information about a housing opportunity;

Failing to effectively communicate, through advertising or on-site marketing activities, the availability of housing to protected classes;

With respect to persons with disabilities, refusal to make reasonable changes in rules, policies, services or practices to permit full use and enjoyment of the housing by such persons;

Refusal to allow reasonable modifications to dwellings to permit accessibility by persons with disabilities; or

Employing different standards of eviction for a member of a protected class or those qualified through an affordable housing program

SECTION 2: APPLICATION INTAKE

Management will accept an application for rental from any and all interested persons during normal business hours. Section 8 voucher and certificate holders are welcome to apply and will be provided equal consideration for occupancy.

Management will maintain a waiting list of prospective households for each bedroom size and unit designation. The waiting list is always open, and does not close for any reason. Households that request to be on the property's waiting list will complete a formal guest card detailing the calendar date of such a request, which will be filed by management in a **Waiting List Notebook** in order of the waiting list request date. Prospective applicants may select to be on the waitlist for multiple bedroom sizes and/or unit designations, including lower rent restricted unit designations. As with higher rent restricted / unrestricted unit designations and the bedroom sizes applicable to each, lower rent restricted unit designation waitlists will be managed identically by isolating each unit designation and applicable bedroom size (e.g. – one-bedroom 50%, one-bedroom 60%, etc...) and follow the same waitlist procedures outlined within this section. Neither a rental application nor screening will be required for a prospective applicant to be on the property's waiting list. Upon receiving a notice to vacate from a current household, management will contact prospective applicants based on the date noted on the formal guest card, and using the preferred contact method requested. Households that need an accessible unit in accordance with 24 CFR 8.27 and/or covered by the Violence Against Women Reauthorization Act (VAWA) of 2013, will be given priority on the waiting list. If a prospective applicant is contacted, and does not respond within 24-hours, then management will contact the prospective applicant again as well as the next prospective applicant (in chronological order) in the **Waiting List Notebook**. Whoever responds first will be given priority. If neither prospective applicant responds after 24-hours, the first, second and third waitlist applicant will be contacted, and so on, within 24-hour intervals. Whoever responds first will be given priority. If three collective attempts to contact a prospective applicant from the **Waiting List Notebook** results in no response, then the prospective applicant's formal guest card will be removed from the **Waiting List Notebook**, 24-hours from the last (3rd) attempt. With exception to occupancy preference for an accessible unit or protection under Violence Against Women's Act (VAWA), current residents at Villas of Sherman will not be given priority within the **Waiting List Notebook**, regardless if transferring to a different unit size or set-aside, and will be added to the **Waiting List Notebook** based on the calendar date noted on the completed formal guest card. Once a prospective applicant from the waiting list has verbally or in writing agreed to lease a unit, the household will be required to complete a rental application, provide payment for both an application fee and security deposit, and process all low income housing tax credit paperwork within 72-hours of acceptance. If a prospective applicant from the waiting list does not complete the requirements above then the next household, in chronological order, will be contacted to lease the available unit.

The application may be completed by the applicant in the leasing office, completed by our staff (with authorization) if a health condition and no family member or friend can assist, or may be taken, completed and returned to the leasing office at a later date. Applicants or current residents may contact any staff member within the leasing office directly regarding any reasonable accommodation(s). Requests can be made verbally or in writing. Applicants or current residents are entitled to protection through VAWA, which provides housing priority for an applicant or affiliated individual of a victim affected by domestic violence, dating violence, sexual assault or stalking. Applicants or current residents may contact any staff member within the leasing office directly regarding protection through VAWA, and request may either be verbal or in writing. For applicants or current residents, the process for meeting reasonable accommodation or protection through VAWA, if not addressed immediately or pending required documentation, will be handled within two calendar weeks.

When a prospective applicant inquires, the manager shall have the person come to the office to complete a rental application form, or postal mail a rental application to the prospective applicant. In order to prioritize the application and to provide occupancy preference to qualifying households (if not already on the property's waiting list), the manager shall inquire if the applicant needs an accessible unit in accordance with 24 CFR 8.27 and/or covered by the Violence Against Women Reauthorization Act (VAWA) of 2013. If occupancy preference is requested and no unit is available for occupancy at the time of the request, then the household will be given priority on the property's waiting list. The application must be thoroughly checked for completeness in the following areas, including required signatures and dates:

Complete addresses (current and previous street, box, apartment numbers, ZIP codes);

Complete birth dates of ALL household members;

Documentation of Social Security numbers for ALL household members age 1 and older. If applicant or member of applicant's household claims to have never been issued a Social Security number, a signed certification by the Social Security office must be included with the application. A parent or guardian must sign for minors who have never been issued a number.

Complete disclosure of ALL income sources for ALL household members. (e.g. - Employment, Unemployment, AFDC, Social Security (excluding delayed lump sum receipts), Veterans benefits, National Guard/Reserves (excluding hazardous duty pay), self-employment, income from assets and any other source of household income.)

Complete disclosure of ALL asset sources for ALL household members. ALL household members age 18 and older must present a valid driver's license or state issued personal identification card.

ALL household members must provide a declaration of citizenship or eligible non-citizen status.

NOTE: AN APPLICATION SHALL BE CONSIDERED INCOMPLETE UNTIL THE ABOVE REQUIREMENTS ARE MET.

SECTION 3: OCCUPANCY STANDARDS

It is our policy that the minimum age for admittance to the community is 62 years of age. In all cases, one resident must be at least 62 years of age, and all other residents in the household must be at least 49 years of age or older.

SECTION 4: STUDENT STATUS

An applicant household applying under the tax credit program cannot be comprised of all full-time students. A **Student** is defined as an individual, who during each of 5 calendar months during the calendar year, is a full-time student at an educational organization or is pursuing a full-time course of institutional on-farm training under the supervision of an accredited agent of an educational organization or of a state or political subdivision of a state. Furthermore, the five calendar months, noted above, need not be consecutive.

General exceptions to the above full-time student household status provision include a married couple that is *entitled* to file a joint tax return (regardless if a tax return was filed), single parents and their children and such parents are not dependents of

another individual and such children are not dependents of another individual other than a parent of such children (e.g.- grandparent, etc..).

Other student exceptions where one member qualifies a household includes a member who receives assistance under Title IV welfare of the Social Security Act (TANF), a household member that was previously under the care and placement responsibility of the State agency responsible for administering a plan under part B or part E of Title IV of the Social Security Act (foster care assistance), or a household member enrolled in a job training program receiving assistance under the Job Training Partnership Act (JTPA / Workforce Investment Act) or under other similar Federal, State, or local program.

SECTION 5- REQUIRED FEES & DEPOSIT POLICIES

A one-time application fee is required when applying for tenancy. Each adult applicant is charged \$10.66 for a screening report and an administrative fee of \$5.50 per household. Application fees per household size will be charged as follows:

1 person or married couple	\$16.16
2 persons	\$26.82

The required security deposit for each apartment bedroom size is noted below. An additional refundable security deposit may be required if insufficient or substandard rental history is verified as outlined in Section 5 – Screening.

1 Bedroom - \$150
2 Bedroom - \$200

The policies regarding the refund or surrender of security deposits are noted below.

Early Termination of Lease without Cause: If the term of the most recent executed lease contract is not fulfilled then the rental amount on the lease will be charged until the unit is occupied by a new resident, or until the lease term expires.

Improper Notice to Vacate: The lease contract requires a lease signer to give a set number of days notice when notifying management in writing of the intended move-out date. If insufficient notice is provided then the security deposit will be absorbed for the remaining number of days to equal the required notice stated within the lease contract.

Assisted Living or Nursing Home: If all or one of the lease signers are being transferred to a long-term care facility, nursing home or assisted living then management will require a formal letter from a physician or licensed nurse that mentions such a move is necessary. Please ask the physician or licensed nurse to not include any specific confidential or medical information within the explanation letter. If the lease is not fulfilled at the time of move-out and a letter is provided [as described above] then a lease signer must give management proper move-out notice as outlined in the lease contract, the deposit will be forfeited and an 85% reletting fee will be charged. If proper notice to vacate is supplied and the reletting fee is paid in full then the lease signer(s) will be released from the lease without future monetary obligation unless other fees and damages are owed after management has inspected the apartment.

Death: In accordance with the lease contract, if the sole lease signer passes then the family will need to provide management a written notice to vacate with the move-out date being at least 30-days from the date of death. If insufficient notice is provided then the security deposit will be absorbed for the remaining number of days to equal the required notice stated within the lease contract.

Fish aquariums shall be no larger than 50 gallons. Furthermore, specific animal, breed, number, weight restrictions, pet rules and pet deposits will not apply to households having a qualified service / assistance animal. Any damages believed to be caused by a pet will be deducted from the pet deposit, if applicable, at the time of move-out.

Smoker’s Deposit:

A refundable smoker’s deposit of \$500 is required at move-in or transfer if any member of the household will be smoking in your apartment home. Smoking is defined by the use of any tobacco product. E-cigarette users will not be required to provide a refundable smoker’s deposit. The applicant was evicted from rental housing.

The applicant moved out of rental housing owing money. If only one prior landlord is owed then an additional, refundable deposit of one month's rent and a verified payment arrangement with the prior landlord is required.

A prior landlord report shows evidence that the applicant or household member did not fulfill their lease term. If the landlord indicates the lease term was not fulfilled, yet prior written approval of early termination was provided by the landlord OR no verified balance is/was owed at the time of verification then the applicant will not be rejected for occupancy.

The applicant did not pay rent and other housing obligations in a timely manner. If screening indicates one or more prior landlords accepted late payments more than twice during tenancy then an additional refundable deposit of \$135, will be required.

The community manager is responsible for all decisions with regard to approval of applications for residency. A denied or rejected applicant will be sent a letter within seven (7) days of the determination via postal mail or e-mail. The letter will include contact information for any third parties that provided the information on which the rejection was based. Disputes with regard to rejected applications will be referred to the property's assigned Regional Property Supervisor for final disposition.

SECTION 7-UNIT TRANSFERS

A current resident shall submit a request to transfer in writing to management. Households requesting to transfer to an accessible unit in accordance with 24 CFR 8.27 and/or covered by the Violence Against Women Reauthorization Act (VAWA) of 2013, will be given occupancy preference for any available unit type, or provided occupancy preference on the property's waiting list. Households that are transferring and requesting reasonable accommodation(s) may contact any staff member within the leasing office directly. Requests can be made verbally or in writing. If not addressed immediately or pending required documentation, reasonable accommodations will be handled within two calendar weeks from the date the household requested to transfer. In certain circumstances, transfers between buildings may require households to requalify for occupancy to verify the household's income does not exceed the published annual income limit for the household size and the desired unit's designation. The Security Deposit, if any, for the old unit will be applied to any outstanding fees or damages identified at unit inspection. Any remaining balance will be credited toward the Security Deposit for the new unit. Any household that is denied or rejected for a unit transfer will be sent a letter within 7 days of the determination via postal mail or e-mail. The letter will include contact information for any third parties that provided the information on which the rejection was based.

Waiver of Section 92.352

In consideration of (1) the extra time that it takes to verify eligibility of low-income or affordable housing residents and (2) Owner's taking the rental dwelling off the market during the verification process. Instead, Applicant's application will be automatically rejected on the earlier of (1) the 60th day after date of application, or (2) the 7th day after Owner receives written replies from all employers, lenders, financial institutions, former spouses paying child support, education institutions, governmental agencies, and other entities to whom inquiries are required to be made by law to qualify resident.
